DO No.: 03/1/2017-DSRD/IDSC-2019/ 2003

Date: 04 October 2018

Dear

*Doctor Sinha ji,*

As you may be aware, Central Water Commission (CWC), under this Ministry is managing the ongoing Dam Rehabilitation and Improvement Project (DRIP) with World Bank assistance to rehabilitate 223 dams in India. As part of its institutional strengthening activities under DRIP, CWC in collaboration with Odisha Water Resources Department and the World Bank is organizing the **International Dam Safety Conference - 2019** during 13-14 February 2019 in Bhubaneswar, Odisha. The detail of the event is available in the Conference website: <https://damsafety.in/idsc2019>. This Conference is part of the series of Dam-Safety Conferences organized in Chennai (2015), Bengaluru (2016), Roorkee (2017), and Thiruvananthapuram (2018) which received an overwhelming response in terms of professional participation by Indian and overseas organizations.

About 700 delegates from India and across the world are expected to participate in the Conference. Several national and overseas organizations will be showcasing their technologies, products, instrumentation, and services relevant to the dams and appurtenant works in the exhibition during the Conference. Distinguished organizations across the world are associating with this Conference as organizing partners and the technical content is being planned to reflect the global concerns, perspectives, experience, and expertise.

We invite active participation of your organization in the Conference. Selected professionals engaged in operation and maintenance of dams and other key stakeholders may contribute technical papers reflecting their dam safety concerns and solutions and participate in the Conference. There is no participation fee for attending the Conference. Participants are required to make their own arrangements for stay, transportation, and other incidentals. Registration of delegates and submission of Technical Papers for the Conference shall only be done online at the Conference website and the organizers will not be able to entertain the technical papers and delegate nominations received by any other means.

With Best Regards

Sincerely Yours,

*N.K. Mathur*

(N. K. Mathur)
